### Receiving your recovered data:

- 1) You supply your own hard drive onto which the recovered data is copied, with a data copy fee of R150.00
- 2) We provide you with a new hard drive of your choice, with no data copy fee. New hard drive price is additional to the recovery fee.

### Policies:

No recovery – no charge: If the data you require is not to your satisfaction the recovery amounts above do not apply.  
 Free assessment and quote: There is no quote rejection fee, drive assessment is a free service.  
 Guaranteed privacy: Full data confidentiality, all work is carried out by SouthBit Data Recovery and its employees.
