<u>SSD, USB Flash Drive, Memory Card, RAID, NAS, all other storage devices</u>	
HARDWARE RECOVERY and SOFTWARE RECOVERY	
Each case is unique and the quoted is based on the complexity of recovery, type of failure, capacity and any parts required. Please contact us or book the device in for an obligation free quote and assessment.	

Receiving your recovered data:

- 1) You supply your own hard drive onto which the recovered data is copied, with a data copy fee of R150.
- 2) We provide you with a new hard drive of your choice, with no data copy fee. New hard drive price is additional to the recovery fee.

Policies:

No recovery – no charge: If the data you require is not to your satisfaction the recovery amounts above do not apply.
 Free assessment and quote: There is no quote rejection fee, drive assessment is a free service.
 Guaranteed privacy: Full data confidentiality, all work is carried out by SouthBit Data Recovery and its employees.
